

OHAO Symposia and PDC Topics and Speaker Listings 2003-2013

OHAO Spring PDC 2013

Wednesday, March 20, 2013

Toronto Congress Centre, 650 Dixon Road, Toronto, ON

Session	Speakers
<p>Occupational Disease - an overview of occupational diseases from a wide variety of perspectives and a discussion of key approaches to risk reduction</p>	<p>Dr. Susan Tarlo, University of Toronto, University Health Network, St Michael's Hospital, Ron House, MD, MSc, FRCPC, St. Michael's Hospital, Paul Demers, Director, Occupational Cancer Research Centre, Cancer Care Ontario, Irena Kudla HBSc, MHSc, CIH, Clinical Occupational Hygienist, St. Michael's Hospital, Pilar Gomez, BSc, OT Reg. (Ont.), OH&S Dip St. Michael's Hospital, Monica Szabo, Public Service Health and Safety Association (PSHSA), Mike Russo, Infrastructure Health and Safety Association (IHSA), Dawna Nighbor, Workplace Safety North, Magdalena Warczok, MHSc, ROH, Manager – Occupational Hygiene Occupational Disease & Survivor Benefits Program, WSIB</p>

OHAO Spring Symposium 2013

Thursday, March 21, 2013

Toronto Congress Centre, 650 Dixon Road, Toronto, ON

Session	Speakers
<p>Nanotechnology Panel Discussion</p>	<p>Loren Anderson, Global EH&S Services Leader, Golder Associates Abdul Afghan, Senior Biologist, New Substances Assessment and Control Bureau, Health Canada Theresa Repaso-Subang, Associate, Team Leader - Toxicology & Risk Assessment, Golder Associates</p>
<p>How OELs are Developed</p>	<p>Marc Cousineau, Provincial Hygienist, Ministry of Labour Lydia Renton, CIH, ROH, Director, Occupational Hygiene and Safety, WESA</p>

OHAO Symposia and PDC Topics and Speaker Listings 2003-2013

OHAO Spring PDC1 2012
Wednesday, March 21, 2012

Toronto Congress Centre, 650 Dixon Road, Toronto, ON

Session	Speakers
Unique Organic Markers for Solving Indoor Air Problems and Emission from Consumer Products	Cecilia Chan, Principal CASSEN Testing Laboratories.
Ethics	Nancy Wilk CIH, Senior Practice Leader, Golder Associates; Margaret Fung, CIH, ROH, Manager of Health and Safety Humber Institute of Technology & Advanced Learning

OHAO Spring PDC 2 2012
Wednesday, March 23, 2012

Toronto Congress Centre, 650 Dixon Road, Toronto, ON

Session	Speakers
OHAO Roundtable PDC: Application of Designated Substances Regulation 490/09	Tom Lee, Ministry of Labour, Nancy Wilk, Associate, Senior Practice Leader Golder Associates, Dan Curts, Senior Specialist, 3M, Lydia Renton, Principal/Director, WESA Inc., John Oudyk, OHCOW, Dr. Sydney Siu, Daniella Molnar, Ministry of the Environment

OHAO Spring Symposium 2012

Thursday, March 22, 2012

Toronto Congress Centre, 650 Dixon Road, Toronto, ON

Session	Speakers
Heat Stress "Hot" Topics	Kevin Schoupe, OSHTECH Ergonomics Group Inc.
Roundtable: "Conflict in Mould Remediation Guidelines for Grow-Ops"	Ern Sullivan , Bruce Stewart , Richard Summerbell (U of T)

OHAO Symposia and PDC Topics and Speaker Listings 2003-2013

OHAO Fall PDC 2012

Wednesday, October 24, 2012

Toronto Congress Centre, 650 Dixon Road, Toronto, ON

Session	Speakers
Legionella Risk Reduction	Stuart Klatskin, P.Eng, GE Water and Process Technologies, Jessica Patterson, GAP EnviroMicrobial Service, Bernard Siedlecki, Senior Associate, Pinchin Environmental, Lillian Wong, MD, FRCPC, Senior Medical Consultant, Ontario Ministry of Labour

OHAO Fall Symposium 2012

Thursday, October 25, 2012

Toronto Congress Centre, 650 Dixon Road, Toronto, ON

Session	Speakers
CSA Standard Z1003 – Psychological Health and Safety in the Workplace	Elizabeth Rankin, Project Manager Canadian Standards Association Ministry of Labour
Non-Ionizing Radiation	Dr. Tony Muc, Ph.D., P.Phys., President and Chief Physicist Radiation Health and Safety Consulting
Keynote	George Gritzotis, Chief Prevention Officer Ministry of Labour
Global Harmonization System	Todd Irick, CIH, CRSP & Kimberly O'Connell, M.Sc., CIH, ROH, CRSP Sr. Industrial Hygienists WESA Inc
WiFi	Dr. Magda Havas, Ph.D., Professor Trent University
Whole Body Vibration	Michele Oliver Ph.D., P.Eng., Professor, College of Physical and Engineering Science University of Guelph
Case Study: Hygiene on Large Scale Remediation Sites	Todd Irick, CIH, CRSP, Sr. Industrial Hygienist WESA Inc

OHAO Symposia and PDC Topics and Speaker Listings 2003-2013

OHAO Spring PDC 2011

Tuesday, March 22, 2011

Toronto Congress Centre, 650 Dixon Road, Toronto, ON

Session	Speakers
Recognition, Evaluation and Remediation of Mould in Buildings	Donald M. Weekes, CIH, CSP, Partner and Technical Director, InAIR Environmental, Ltd
Environmental Exposure Assessment - Current and Emerging Techniques	James Scott, PhD, ARMCCM, Associate Professor, Division of Occupational and Environmental Health, Dalla Lana School of Public Health, University of Toronto

OHAO Spring Symposium 2011

Wednesday, March 23, 2011

Toronto Congress Centre, 650 Dixon Road, Toronto, ON

Session	Speakers
Heat Stress “Hot” Topics	Kevin Schouppe, BSc. Kin, Ergonomics Consultant, OSHTECH Ergonomics Group Inc.
Pinchin Environmental Mould Index (PAMI): a new tool in the interpretation of mould spore data	Dr. Rafic Dulymamode, Technical Manager, Environmental Microbiology Laboratory, Pinchin Environmental Ltd.
Update from the American Board of Industrial Hygiene (ABIH)	Lydia Renton, BSc, CIH, ROH, Principal; Director, Occupational Hygiene & Safety, WESA Inc.
Legionella Risk and Update on Guidelines	Bernard C. Siedlecki, Senior Associate, Indoor Air Quality & Microbial Contamination, Pinchin Environmental Ltd.

OHAO Fall PDC 2011

Wednesday, October 12, 2011

Toronto Congress Centre, 650 Dixon Road, Toronto, ON

Session	Speakers
Safety Engineering and the Hygiene/Safety Practitioner: What You Need to Know for Meaningful Consultation on Pre-Start Health and Safety Reviews (PHSR) and Machine/Process Safeguarding	Mark Carli, BAsC., PEng., Senior Consultant Resource Environmental Associates Ltd Jeffrey Harris, BSc, MHSc., CIH, Consultant Resource Environmental Associates Ltd

OHAO Symposia and PDC Topics and Speaker Listings 2003-2013

OHAO Fall Symposium 2011

Thursday, October 14, 2011

Toronto Congress Centre, 650 Dixon Road, Toronto, ON

Session	Speakers
Bill 160 (OHS Statute Law Amendment Act, 2011) – An Update	John VanderDoelen, Ministry of Labour
Workplace Health Without Borders – Update	Marianne Levitsky, President, Workplace Health Without Borders
CSA Respiratory Protection Standard – Update	To be announced
New Standards for Clandestine Labs	Richard Quenneville, BSc, CIH, ROH Director Occupational Hygiene, T. Harris Environmental Management Inc
Case Study #1: Industrial Noise Mitigation – Ottawa Health Sciences Co.	Vince Gambino, Aercoustics
Case Study #2: <i>Post-abatement sampling for fungal pathogens in a hospital environment</i>	Kristine White, Sporometrics
Accuracy of Direct Reading Instruments for STEL Measurements	Ian Drummond, Dalla Lana School of Public Health, University of Toronto
Does Hearing Protection Work?	Jeffrey Goldberg, Custom Protect Ear
Firefighter's Study – Air Sampling Results	Lorraine Shaw, B.Sc., CIH, ROH, Laboratory Manager, Occupational and Environmental Health Laboratory, Department of Chemistry and Chemical Biology McMaster University

OHAO Spring Symposium 2010

Thursday, March 25, 2010

Black Creek Pioneer Village, 1000 Murray Ross Parkway, Toronto ON

Session	Speakers
Workplace Violence	John Vander Doelen, Director of Policy and Program Development Branch Ontario Ministry of Labour
Case Study #1 – Abrasive Blasting of Lead-Based Coated Structures	Rob Parker, Senior Occupational Hygienist Ryan Mallard, Occupational Hygienist Occupational Health & Safety Group, Pinchin
Case Study #2 – Assessment, Control and Communication Issues Associated with Emissions from a Resin Brick Heating Operation	Jason Hoffman, MHSc, CIH, Occupational Hygiene/Health Specialist ArcelorMittal Dofasco, Inc.
Toxic Substances Reduction Act	Ana Tinta Ontario Ministry of the Environment

OHAO Symposia and PDC Topics and Speaker Listings 2003-2013

OHAO Spring PDC 2010

Friday, March 26, 2010

Black Creek Pioneer Village, 1000 Murray Ross Parkway, Toronto ON

Session	Speakers
Writing Effective Industrial Hygiene Reports	Om Malik, PhD, PEng, CIH, ROH; Marianne Levitsky, MES, CIH, ROH, ECOH Management Inc.
Occupational Hygiene Ethics	Dr. Roohi Qureshi, MD, FRCP(C), MEng, Occupational Medicine Consultant, St. Michael's Hospital, Assistant Program Director, Occupational Residency Program, University of Toronto, Bioethics Coordinator, University of Toronto
Code of Ethics, and Case Studies Exercise	Altaira Hildebrand, Jamie Prince

OHAO Fall PDC 2010

Wednesday, October 27, 2010

Toronto Congress Centre, 650 Dixon Road, Toronto, ON

Session	Speakers
Return on Health, Safety and Environmental Investments (ROHSEI)	Thomas Cecich, CSP, CIH

OHAO Fall Symposium 2010

Thursday, October 28, 2010

Toronto Congress Centre, 650 Dixon Road, Toronto, ON

Session	Speakers
Opportunities in Occupational Hygiene in Emerging Countries	Lydia Renton, BSc, CIH, ROH, Principal Director, Occupational Health & Safety WESA Inc.
Writing Quality Material Safety Data Sheets	Catherine Dumschat, Senior Technical Specialist, Occupational Hygiene Canadian Centre for Occupational Health and Safety
Ministry of Labour Update – Two Part Presentation	Kathleen Therriault, Acting Manager Regulation Development Unit – MOL OEL Consultation and Review Process Thomas Lee, Provincial Hygienist – Safe At Work Ontario (SAWO) Hygiene and OEL Initiatives
Wind Turbines – What's New?	Alberto Behar, PEng, CIH, President, Noise Control
Case Studies in Indoor Non-Industrial Noise Reduction	Peter VanDelden, Acoustical Specialist, RWDI AIR Inc.

OHAO Symposia and PDC Topics and Speaker Listings 2003-2013

Case Study on a Large Meth Lab in Peel Region	Stephen Booth, IAQ & Microbial Contamination Pinchin Environmental Ltd.
Occupational Hygiene and LEED Buildings: An Overview	Ryan Zizzo, MASc., LEED GA Green Building Project Associate, Halsall Associates

OHAO Spring Symposium 2009

Wednesday, March 25, 2009

Black Creek Pioneer Village, 1000 Murray Ross Parkway, Toronto ON

Session	Speakers
The Three MOE Noise Screening Processes	Alberto Behar, PEng, CIH, Noise Control
Ultrafine Particles from Polymer Decomposition	Derek Van Der Linden, IHT, Cooper Standard Automotive Inc Peter Pityn, OSHTECH Inc
Human Vibrations	Chris Hugh, Hatch
From Refractory Ceramic Fibre to Biosolubles – The Evolution of Fibres and Their Health Risk	Patrick S. Snodgrass, CSP, CHMM, Unifrax Corporation
Screening for Moulds at Ontario Power Generation (OPG)	Jim Desormeaux, OHST, COCH, Richard Wolter, Ontario Power Generation

OHAO Fall PDC 2009

Tuesday, October 27, 2009

Black Creek Pioneer Village, 1000 Murray Ross Parkway, Toronto ON

Session	Speakers
Are We Up to Date with Sampling and Analysis – Expertise from Analytical Laboratories for the Occupational Hygienist	Lorraine Shaw, CIH, ROH, Laboratory Manager, McMaster University Ed Stuber, CIH, Monitoring Solutions Consultant, Galson Laboratories Eric J. Chatfield, B.A., M.A., Ph.D. President and Principal Analyst Chatfield Technical Consulting Limited Michael Warnock, President ID Onsite Inc.

OHAO Symposia and PDC Topics and Speaker Listings 2003-2013

OHAO Fall Symposium 2009

Wednesday, October 28, 2009

Black Creek Pioneer Village, 1000 Murray Ross Parkway, Toronto ON

Session	Speakers
EACO Mould Abatement Guidelines	Steve Fulford, Stantec & President of EACO
H1N1 Pandemic Influenza	Leon Genesove, MD, DIH, FCBOM, FRCPC, Chief Physician, Ontario Ministry of Labour
WHMIS after GHS: Planning and Preparing for Change	Jessie Callaghan, Senior Technical Specialist-Chemical Hazard Evaluation Canadian Centre for Occupational Health and Safety
Certificates of Approval for Air Emissions in Ontario: Overview and Updates	Franco DiGiovanni, Ph.D., Airzone One Ltd.
Case Study #1: Ethics	L. Shaw, McMaster University
Case Study #2: Chloramines in swimming pools	T. Irick, WESA
Case Study #3: ESA requirements for remediation of grow-ops	L. Renton, WESA
Medical Isotope Supply Shortage: Causes, Implications and Occupational Hygiene Issues	Mike Grey, Candesco

OHAO Spring PDC 2008

Tuesday, March 25, 2008

Black Creek Pioneer Village, 1000 Murray Ross Parkway, Toronto ON

Session	Speakers
Management Systems – An Integrated Approach	Lydia Renton, CIH, ROH, WESA, Andrea Clemencio, PEng, WESA Steve Clouthier, Hydro Ottawa Jeff Kovach, ArcelorMittal Dofasco
New Considerations for Sampling Metals	Deborah F. Dietrich, MSc, CIH, Vice President and Corporate Industrial Hygienist, SKC Inc.
Unsolved IH Mysteries: Challenges and Scientific Intrigues for the Future	Deborah F. Dietrich, MSc, CIH, Vice President and Corporate Industrial Hygienist, SKC Inc.

OHAO Spring Symposium 2008

Wednesday, March 26, 2008

Black Creek Pioneer Village, 1000 Murray Ross Parkway, Toronto ON

Session	Speakers
Asbestos Abatement Certification Programs for Workers and Supervisors	Evelyn V. Stefov, PEng, MEng, ROH – Provincial Specialist, Construction Health and Safety Program, Ministry of Labour
Hamilton's Municipality and Industry Cooperative Emergency Response Plan	Chris Anderson – Manager of Loss Prevention, ArcelorMittal Dofasco

OHAO Symposia and PDC Topics and Speaker Listings 2003-2013

Petro-Canada's Montreal Refinery Project – Environment, Health and Safety Design Into a Large Scale Project	Colleen Stevenson, MHSc, CIH, Leader Downstream Services and Projects Environment Safety and Social Responsibility, Petro-Canada
Tracking down PCBs in a Resin Plant Decommissioning	Rob Strang, PEng, ROH, CRSP, Founder, Champeda Inc
“SHE4U2”	Anne Contala, MHSc, CIH, ROH, Senior Consultant, Occupational Health and Safety, AstraZeneca Canada Inc.
Epigenetics: Understanding the Effects of Exposures on our DNA	Dr. Moshe Szyf, Professor, Department of Pharmacology And Therapeutics, McGill University

OHAO Fall PDC 2008

Wednesday, October 15, 2008

Black Creek Pioneer Village, 1000 Murray Ross Parkway, Toronto ON

Session	Speakers
Control of Welding Health and Safety Hazards	Gregory J. Naherne, CIH

OHAO Fall Symposium 2008

Thursday, October 16, 2008

Black Creek Pioneer Village, 1000 Murray Ross Parkway, Toronto ON

Session	Speakers
Tribute to the Fallen	Steven P. Levine, PhD, CIH, Professor Emeritus, University of Michigan Earl Dotter, Visiting Scholar, Harvard University Monica A. Szabo, OHST, CRSP, ROH, Operations Manager, Municipal Health and Safety Association
HRSDC Labour Program-Current Priorities and Initiatives	Anna Ananiadis, Regional Director, Ontario Region, Labour Program
Computer Tools to Help Occupational Hygienists	Daniel Drolet, IRSST
Asbestos Wipe Sampling – Methodology and Outcomes	Michel Crepeau
Radon in Homes, Offices and Workplaces	Arthur Scott, Ontario Ministry of Labour
Hearing Loss in the Workplace	Marshall Chassin, Director of Auditory Research, Musicians' Clinics of Canada, Coordinator of Research, Canadian Hearing Society, Director of Research, ListenUp Canada
Respiratory Protection Against Airborne Particles: Major Milestones and Challenges	Sergey A. Grinshpun, Professor of Environmental Health and Director of the Center for Health-Related Aerosol Studies,

OHAO Symposia and PDC Topics and Speaker Listings 2003-2013

	University of Cincinnati
--	--------------------------

OHAO Fall PDC 2008

Friday, October 17, 2008

Black Creek Pioneer Village, 1000 Murray Ross Parkway, Toronto ON

Session	Speakers
Control Banding: Opportunities and Horizons	David M. Zalk, MPH, CIH Ernest A. Sullivan, PhD, CIH, ROH, CChem Om P. Malik, PdH, PEng, CIH, ROH Marvin Faber, PhD

OHAO Spring Symposium 2007

Wednesday, March 28, 2007

Black Creek Pioneer Village, 1000 Murray Ross Parkway, Toronto ON

Session	Speakers
Global Harmonization System (GHS) – Overall Implementation Issues	Otto Peter, CIH, Manager, Health, Safety and Industrial Hygiene, GM Canada
WHMIS Meets GHS: The Challenges for MSDS Authors and Users	Cathy Dumschat, MHS, Senior Technical Specialist-Occupational Hygiene, CCOHS
Environmental Regulations and Occupational Hygienists – How are the Connections Changing?	Brett G. Ibbotson, M.Eng, P.Eng, Principal, Water and Earth Science Associates Ltd (WESA)
Case Studies in Occupational Hygiene #1: Carbon Monoxide Poisoning in Residential Units during Blasting Operations	Lydia Renton, B.Sc., CIH, ROH, Principal; Director, Industrial Hygiene and OHS, WESA
Case Studies in Occupational Hygiene #2: Health Concerns arising from Low Frequency Sound in a Chemistry Laboratory	Bill Gibson, Health and Safety Advisor, Trent University
Case Studies in Occupational Hygiene #3: Occupational Exposure to Metal Working Fluids	Lorraine Shaw, B.Sc., CIH, ROH, OEHL Laboratory Manager - McMaster University

OHAO Fall PDC 2007

Tuesday, October 16, 2007

Black Creek Pioneer Village, 1000 Murray Ross Parkway, Toronto ON

Session	Speakers
Noise Control in the Workplace	Bhawani P. Pathak, PhD, CIH, ROH
Recent Advances in Measurement of Airborne Organics	Cecilia Chan
Confined Spaces	Michel J. Crépeau, BSc, CIH, ROH

OHAO Symposia and PDC Topics and Speaker Listings 2003-2013

OHAO Fall Symposium 2007

Wednesday, October 17, 2007

Black Creek Pioneer Village, 1000 Murray Ross Parkway, Toronto ON

Session	Speakers
Minimizing the Risk of Legionellosis Associated with Building Water Systems	John Murphy, BSc, MHSc, MBA, ROH, CIH, GradIOSH, President, Resource Environmental Associates Limited
Nanoparticles: Measurements and Controls	Julie Anceriz MHSc, GE Canada
Ontario Ministry of Labour's Occupational Hygiene Initiatives, Strategies and Programs	David Leong, Ph.D., P.Eng., CIH, CSci, CChem, Provincial Hygienist, Ontario Ministry of Labour
Recent Amendment to Canadian Occupational Health and Safety Regulations: The Hazard Prevention Program	Kerry Piccolotto, Technical Advisor for Health and Safety, Human Resources and Skills Development Canada Labour Program
Occupational Hygienists – Maximizing Value in an Organization	Len Hong, CCOHS President and CEO
Canada's New Chemicals Management Plan & the Occupational Hygienist	Elizabeth Walpac, Senior SHE Specialist, Nalco
Pharmaceutical Manufacturing: Managing Worker Exposure Risks	Marvin Faber, PhD, Director, Corporate Environmental, Health & Safety Patheon Inc.

OHAO Spring Symposium 2006

Wednesday, March 29, 2006

Black Creek Pioneer Village, 1000 Murray Ross Parkway, Toronto ON

Session	Speakers
Ministry of Labour Priorities 2006-2007	Fiona Dalziel, Provincial Specialist, Ontario Ministry of Labour
Practical Considerations for Air Monitoring Using Direct Reading Real Time Monitors	John J. (Jamie) Prince, Senior Industrial Hygienist, General Motors of Canada Ltd
Productivity Enhancement and Safety Risk Mitigation – Mental Fatigue	Tim Faveri, Senior Manager, Deloitte Environment, Health and Safety Services Group

OHAO Fall PDC 2006

Wednesday, October 18, 2006

Black Creek Pioneer Village, 1000 Murray Ross Parkway, Toronto ON

Session	Speakers
Using Current Sampling Methods Combined with Cost Effective Analysis for Economical IH Air Monitoring Programs	John Orser, OHST, ROHT, A.Sc.T. Ed Stuber, CIH

OHAO Symposia and PDC Topics and Speaker Listings 2003-2013

OHAO Fall Symposium

Thursday, October 19, 2006

Black Creek Pioneer Village, 1000 Murray Ross Parkway, Toronto ON

Session	Speakers
Industrial Hygiene in Mining	John Petherick, CIH ROH, Falconbridge Ltd
Pandemic Influenza: Role of the Ontario Ministry of Labour	Dr. Leon Genesove, MD DIH FRCPC, Provincial Physician, Ontario Ministry of Labour
Pandemic Planning: Lessons from SARS	Joseline Sikorski, CHE, President & CEO, Ontario Safety Association for Community and Healthcare (OSACH)
Environment, Health and Safety Implications of Nanomaterials	Roland Hosein PhD CIH ROH, Vice-President, Environment, Health and Safety, General Electric Canada
The Involvement of Occupational Hygiene in the Adjudication of WSIB Occupational Disease Claims	Lou Riklik, MEng CIH ROH Derrick Chung MHSc ROH, Occupational Hygienists, Workplace Safety and Insurance Board
Implementing the New Confined Space Entry Regulations	Monica Szabo, CRSP ROH, Area Manager, Municipal Health and Safety Association of Ontario

OHAO Fall PDC Symposium 2006

Friday, October 20, 2006

Black Creek Pioneer Village, 1000 Murray Ross Parkway, Toronto ON

Session	Speakers
Bayesian Analysis	Paul Hewett, Ph.D., CIH

OHAO Spring Symposium 2005

Wednesday, March 23, 2005

Black Creek Pioneer Village, 1000 Murray Ross Parkway, Toronto ON

Session	Speakers
Biological Monitoring of Volatile Organic Compounds using Breath Samples	Cecilia Chan
Vibration Study of Forklift Drivers	Alberto Behar Steven Libich
Hazardous Chemicals Screening Tool	Steven Libich, PhD., CIH
Recent Ministry of Labour Initiatives	Nax Nagalingam, Provincial Coordinator, Industrial Health and Safety Program, Ministry of Labour

OHAO Fall Symposium 2005

Thursday, October 20, 2005

Chestnut Hotel, 89 Chestnut Street, Toronto ON

Session	Speakers
Workplace Air Quality & Health	Dr. Lynn Marshall, Medical Director, Environmental Health Clinic, Women's College Hospital Dr. Riina Bray, Assistant Professor, Department of Family and Community Medicine, University of Toronto
Learn More about the Importance of Office Ergonomics in the Workplace	Lucy Hart, MSc, CCPE, Ergonomist, Global Furniture
Clandestine Drug Labs and Grow-ops and Occupational Hygiene Issues – the BC Experience	Neil McManus, CIH, ROH, Director, Northwest Occupational Health and Safety
Health Canada's Exposure and Hazard Tools Categorization of the Canadian Domestic Substance List	Jesse Ng, Exposure Assessment Section, Existing Substances Division, Health Canada
Dirty Electricity, Diabetes, Multiple Sclerosis, Electrical Hypersensitivity and Sick Building Syndrome...Is there a Connection?	Dr. Magda Havas, Associate Professor, Environmental and Resource Studies, Trent University

OHAO Fall PDC 2005

Friday, October 21, 2005

Chestnut Hotel, 89 Chestnut Street, Toronto ON

Session	Speakers
New Asbestos Regulation	Marlene Hall, Policy and Regulations, Ministry of Labour Evelyn Stefov, Provincial Specialist, Ministry of Labour Dr. Donald Pinchin, Environmental Abatement Council of Ontario, President Pinchin Environmental
Regulatory, Cost and Safety Factors to be Considered When Handling Potent Compounds	Julian Wilkins, Founder and Vice-President, Pharma ConsultUS Inc

OHAO Symposia and PDC Topics and Speaker Listings 2003-2013

OHAO Fall PDC 2004

Wednesday, October 20, 2004

Black Creek Pioneer Village, Toronto ON

Session	Speakers
Ergonomics: Program Management and Current Issues	Paul White, BSc, MA, MBA, CPE

OHAO Fall Symposium 2004

Thursday, October 21, 2004

Black Creek Pioneer Village, Toronto ON

Session	Speakers
Asbestos Fibres & Synthetic Vitreous Fibres – Latest Trends	Michael Hoffbauer
Working at Heights: An Overview for Occupational Hygienists	Monica Szabo
CHEMINFO An Essential Tool for MSDS Review	Cathy Dumschat
Risk Based Workplace Hazard Analysis	Scott Barber Patricia Yu
Occupational Health & Safety Challenges at the ROM	Ellen Shaeen-Hanright
Vibration Issues	Mick McCabe Brian Howe

OHAO Spring PD 2003

Tuesday, March 18, 2003

Black Creek Pioneer Village, Toronto ON

Session	Speakers
Mould Assessment and Remediation	

OHAO Spring Symposium 2003

Wednesday, March 19, 2003

Black Creek Pioneer Village, Toronto ON

Session	Speakers
